BSCIT

University of mumbai

Jun 2020 - Feb 2024

8.3/10 GPA

66%

SUMMARY

I am a highly skilled Wordpress developer with extensive experience in customizing and maintaining themes, developing plugins, and collaborating with cross-functional teams. With a proven track record of creating visually appealing and unique websites for clients, I am well-versed in HTML, CSS, JavaScript, and SEO to ensure seamless integration and enhance website functionality. My BSCIT degree from the University of Mumbai, with an impressive 8.3/10 GPA, has equipped me with strong problem-solving and communication skills, as well as expertise in web design and frontend development. I am also proficient in Advanced Excel, Pivot Tables, MySQL, Corel Draw, Photoshop, Core Java, MongoDB, MS-Office, and TallyErp9.
